Packed Agenda with great networking opportunities – making the time really count for you and your business.

Open Networking - At the beginning and end of each monthly meeting.

Seating Shakeup © - Our unique Seating Shakeup Cards ensure you will get the chance to meet new people.

60 Second Spotlight - Everyone gets the opportunity to tell us who they are, what they do and what they are looking for.

Testimonial – Time to say Thank You. A member can give a testimonial about another member's services they have used themselves, or referred on and received positive feedback about.

Business Card Swap - Collect and hand out as many business cards as you can. So when you are out and about during the month you can provide the details of the person you are recommending.

The Expert's Section - Learning from experts within their profession. This can be anything from finance to marketing, from wellbeing to marketing techniques.

It's All About Me - Each month a member gets the opportunity to stand for a further 5 mins to expand on their 60 second spotlight presentation.

Networking Tip - An opportunity for a member to impart some of their knowledge to help us all achieve a better networking experience
